What Mr Fred Dresser has to say about the ECONOMY JAR:

Kerr Glass Manufacturing Company.

Gentlemen: Referring to the ECONOMY FRUIT JAR, we are pleased to say that we have been selling them for three years.

The first year we ordered three gross, the second year ten gross, and this year our order calls for twenty-five gross.

We believe that within a few years they will be the only jar in use; first, because the quality of the jar far excels all others; second, the jar is saultary, having a wide mouth, therefore easily cleaned.

The cover is as sanitary as the glass itself, while the coverr on many other jars are made of zine, which produces poison when in contact with fruit and vegetables.

The absolute certainty of every ECONOMY JAR senting makes it the ideal jar for canning purposes. We bespeak a great future for the ECONOMY JAR. We are very truly yours,

F. DRESSER & CO.
